
A Fly & Tackle Shop at Barnum?

Posted by david - 2010/03/05 03:23

Indeed it seems there will be a new fly & tackle shop on the North Branch at Barnum this spring. More details to follow....

Yeah it definitely is a shame that nothing been down there. It would be nice to actually have a place to pick up some thing in a pinch without driving 20 miles. This is a good thing here....

I'll know more about it next week.

Fly Fishing is pretty cool...

I found her fishing the Cranberry and decided to take a pic.....

Kidding lol. That pic is excellent. I dont know where it came from. A friend sent it to me and I was like :woohoo:

Imagine seeing her on a stream though eh? Wowsers
